

STAAR Mission Math™ Pricing

STAAR Mission Math™ is sold as individual teacher licenses, campus site license or a district site license.

365-day Individual Teacher Licenses

Each teacher license gives the teacher access to one grade level or course for one year from the date of purchase. The list price for a one year subscription for one teacher to have access to one grade level or course is \$495. **Discounts are available if multiple licenses are purchased at one time.**

- e.g. The district purchases 20 single course licenses; the price would be $20 \times \$495 = \9900 . A 15% discount would be applied, making the final price, \$8415.

If a teacher teaches more than one course/grade each additional course/grade is \$250 per year:

- e.g. Teacher A teaches Algebra 1 and Geometry and you only need one license; the price would be $\$495 + \250 .

365-day Campus Site Licenses by Grade Band Each teacher on the campus receives access to one or more grade levels or courses for one year from the date of purchase.

Individual Teacher Licenses Summer Only Each teacher license gives the teacher access to one grade level or course from May 15 to June 30 (or last day of summer school) of the school year for which access was purchased. The list price for an individual summer only teacher license is \$295. No discounts apply.

Grade Band Campus Site Licenses Summer Only Each teacher on the campus receives access to one or more grade levels or courses from May 15 to June 30 of the school year for which access was purchased.
